Purchase KwikFinder.Net Access or Lester Catalog DVDs and SAVE \$100!

So what exactly does this new service mean to you as a rebuilder? For starters, by using **KwikFinder.Net** you'll be tapping into the ease and convenience of the Internet. You'll have at your fingertips instant access to the latest information from Lester Catalog. You'll also have pictures for identification purposes to be certain that you are ordering the right unit, thus reducing warranty returns. The online service will also enable your technicians to have access to all the specifications and bill of materials for the units they rebuild. Core suppliers will be able to quickly identify your needs using the online picture IDs available, and if you're a custom rebuilder the wealth of information available at **KwikFinder.Net** will enable you to be absolutely certain that you are rebuilding the right unit for your customer. Another benefit of this new online version of Lester Catalog is the amount of storage space it will save on your computer. No more CDs to install.
